

Our military operations they will be made to feel through fault of their own as in the case of the taking of Chichigalpa and other towns, as the public observer should learn to believe the opposite of all the information given out by the enemy.

Nicaragua will only be freed by bullets and at the cost of our own blood; because our army proposes to stop a farce elections and the shame of Nicaragua.

General Headquarters of the Defensive Army of the Sovereignty of the Nation of Nicaragua. The Segovias, Nicaragua, Central América. 1 January, 1932.

FATHERLAND AND LIBERTY.
