

The following is a rough translation of a propaganda pamphlet found among captured correspondence:-

LET US SEVERLY PUNISH THOSE WHO BROUGHT THE YANKEE INTERVENTION
- - - - - AND THOSE WHO TRY TO MAINTAIN IT - - - - -

There has been similar information proceeding from San Salvador, San Jose de Costa Rica, Panama, Guatemala and Mexico in respect to all those who arrive from Managua and who came into this city in help commissions, have returned to their countries emotionalized by the despise and inhumanity with which yankee marines treat us Nicaraguans of all conditions, it is to say, that with this unfortunate event of the destruction of our capital, occasion was presented for foreign witnesses to find out exactly of how american forces have been treating our suffered country, already in its long Calvary. And not one among those witnesses of our Calvary conceives of how it is possible there exist Nicaraguan who want this martyrdom to be prolonged even after the brutal and inhuman treatment to the natives and the unwarranted proceedings to their properties, in the destruction of Managua, carried out with such a violence and impunity that overflows all limit of a civilized conscience. And none of those leaders say a single word to avoid our country at once for all, the shame of intervention, meanwhile they keep on freshly talking of the new participation of the yankees in the elections to be effected, to which we shall not concur and from now on we reject if intervention is to be carried out, because we are not disposed to tolerate anymore foreigners to mix in our affairs, as much as in Municipal elections or
